*Group meets every Saturday evening with the exception of the last Saturday of the month

The Y.E.S. Group is an open discussion meeting. As a group, we encourage each other to explore sobriety at a young age. However, we welcome not just the young - but the young at heart!

As a group, we strive to focus on The 12 Steps as the **solution**, follow the 12 Traditions and welcome anyone who reaches for the hand of AA.
